School Closure in the Event of Extreme Weather

It is always our intention to keep the school open, however, the safety of the pupils and staff must come first. Any decision to close will be based largely on whether the school buses are able to run and if the majority of our staff members are able to make it into school safely.

Once any decision is made to close the school we will endeavour to let you know by 7.15am.

- We will post a message on our Facebook page: **Upton Noble Primary School**, detailing any closure information.
- School closure information will also appear on the homepage of our school website: <https://www.uptonnoble.org.uk/>
- There will also be a list of all affected schools on the Somerset County Council School Closures website page: www.somerset.org.uk - click on the link "View School Closures" to check.
- Heart FM (FM 102.6) and BBC Radio Somerset (FM 95.5) will broadcast a list of all closed schools.
