25th November 2024

Dear Parents and Carers,

We are pleased to inform you that the Ofsted inspection report from our inspection in October is now available on the school website and attached to this letter. It will be released on the Ofsted website in the next few working days.

You may have heard on the national news that the Ofsted inspection process is slightly different this year and school inspections are either graded (2 day) or ungraded (1 day) with no overall judgement grade given.

Upton Noble was already previously judged as a 'good' school and was chosen to have a graded inspection through the Ofsted sampling process.

We are delighted to let you know that the school was judged as **'Good in all areas'**.

The Ofsted process was detailed and rigorous, which in turn let the inspectors gain a true feel to the culture and learning ethos at Upton Noble. The report details the many strengths of our school, as well as next steps needed to take the school forward.

We would like to take this opportunity to thank all those who took part in the inspection, staff, governors, parents and the children. Over the two-day inspection there were many anecdotes from the children fed back to us, they really demonstrated how proud and happy our children are to be pupils of Upton Noble School.

We hope that parents and carers take the time to read the inspection report in full. Please do not hesitate to contact us if you have any further queries or questions.

With very best wishes

Sue Simpson

Chair of Governors

Rachael Bisset
