

## Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

### School overview

Detail	Data
School name	Upton Noble Church of England VC Primary School
Number of pupils in school	169
Proportion (%) of pupil premium eligible pupils	14%
Academic year/years that our current pupil premium strategy plan covers ( <b>3 year plans are recommended</b> )	2022-2023
Date this statement was published	2 <sup>nd</sup> December 2022
Date on which it will be reviewed	12 <sup>th</sup> December 2023
Statement authorised by	Mrs Rachael Bisset
Pupil premium lead	Mrs Emma-Louise House
Governor / Trustee lead	Mr Brian Lippitt

### Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£23,865
Recovery premium funding allocation this academic year	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
<b>Total budget for this academic year</b> If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£23,865

# Part A: Pupil premium strategy plan

## Statement of intent

At Upton Noble Church of England VC Primary School, we provide a high quality of education for all of our pupils regardless of ability or background. We acknowledge, however, that the educational outcomes for children eligible for the Pupil Premium Grant are not as good nationally as the attainment of children who do not receive the grant. With this in mind, we have prioritised our spending so that this pupil group have the best targeted help to enable them to do at least as well as their peers in both the core areas of Mathematics and English as well as in other areas of their education including health and wellbeing.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Social, Emotional and Physical health issues
2	Behaviour difficulties
3	Socio-economic background
4	Impact on attainment due to low attendance

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p><b>Priority 1:</b> To continue to achieve high standards in reading, writing and maths throughout the school and improve the rates of progress still further through closing the gaps between PPG and NPPG from KS1 to KS2.</p>	<ul style="list-style-type: none"><li>• Targets set are ambitious and ensure rigour throughout the curriculum</li><li>• Teachers and pupils adapt to previous curriculum disruption to ensure children's attainment remains unaffected</li><li>• Enriched curriculum with wider learning opportunities including links with the local community</li></ul>

	<ul style="list-style-type: none"> <li>• Interventions are personalised to the pupil's needs and swiftly implemented to ensure gaps are closed in line with national expectations. Where possible, interventions are on a 1:1 basis delivered by experienced teachers and teaching assistants.</li> <li>• Teachers and Teaching Assistants receive high quality CPD, coaching and mentoring to deliver successful intervention programmes alongside quality first teaching.</li> <li>• Barriers to learning are promptly addressed to ensure there are no gaps in education provision.</li> <li>• Pupils are encouraged to become independent learners and develop the skills essential to achieve the desired educational and social outcomes</li> <li>• Rigorous monitoring of progress, attainment and interventions delivered to ensure that the provision is suitable and achieving the desired outcomes for children.</li> </ul>
<p><b><u>Priority 2:</u></b> To ensure that all PPG children achieve the national standard in phonics by the end of Year 2 improving the outcomes for pupils still further.</p>	<ul style="list-style-type: none"> <li>• Teachers ensure strong home-school links and encourage parental engagement through the website and direct email communication</li> <li>• Clear, ambitious expectations are set for pupils, teachers and parents to ensure children achieve national expectations and beyond</li> <li>• All pupils are heard to read daily both at school and at home</li> <li>• High quality teaching and learning seen through the monitoring of lessons, work scrutiny and academic progress and attainment</li> </ul>
<p><b><u>Priority 3:</u></b> To ensure that PPG children received high quality teaching and experiential learning opportunities to develop</p>	<ul style="list-style-type: none"> <li>• Pupils will develop and maintain healthy peer networks and improve social communication</li> </ul>

<p>resilience, perseverance and overcome barriers to their learning to close the attainment gap</p>	<p>skills lost as a result of school closures</p> <ul style="list-style-type: none"> <li>• The use of Head Boy and Girl, Deputies, Prefects, the School Collective Worship group and the School Council fosters a sense of responsibility, pride and develop social relationships across the school</li> <li>• Teachers have high expectations of all pupils and have a non-negotiable approach to all aspects of learning</li> <li>• Targeted interventions and support ensure that barriers to learning are overcome i.e. through the use of ELSA, high quality Speech and Language programmes, tailored ILI interventions programmes. Uniform support where deemed necessary to ensure pupils feel a sense of community and belonging and PFSA support for families to develop lines of communication between home and school. The role of the PFSA also supports academic achievement alongside emotional wellbeing. The school ELSA works with individual children and all classes have an ELSA friendly environment.</li> <li>• individuals who are set to exceed expectations ensure sufficient challenging work is set, and support is in place for pupils to succeed.</li> </ul>
---	---

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost:

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Ongoing CPD of staff awareness and understanding of the National Curriculum across EYFS/KS1 and KS2</p>	<p>Through staff CPD, INSET, Staff and Phase Meetings. This enhanced knowledge will ensure high aspirations for all pupils and a deeper understanding, particularly with regards to English, Maths and the curriculum.</p> <p>Staff will be encouraged to observe in other year groups and schools across the federation and beyond to develop their own understanding and put pedagogy into practice.</p> <p>Subject leader CPD to ensure their knowledge remains current and, as a school, we remain at the forefront of innovation, leading the way in change and progression.</p>	
<p>Further develop the teaching of specific vocabulary across the curriculum and the importance of the spoken word</p>	<p>Ensure pupils use the correct terminology across the curriculum when speaking and writing. Pupils will feel empowered and will be able to use their learning in context with enhanced confidence. Oracy skills will be improved and this will be reflected in attainment.</p>	

## Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 24994

Activity	Evidence that supports this approach	Challenge number(s) addressed
Tailored interventions and support to reduce the attainment gap for PPG children	<p>High quality tailored interventions meets the specific needs of the pupil. Interventions will be delivered by trained, experienced teachers and teaching assistants to ensure desired educational progress.</p> <p>Teaching of metacognitive and self-regulatory strategies to PPG pupils. This will develop their problem solving abilities and techniques thus improving their own learning potential – this would be more suited towards KS2.</p>	All
Intensive small group phonics interventions	To ensure that PPG pupils achieve National expectations in phonics by the end of KS1, phonics interventions should be delivered in small, targeted groups with the aim of peer-on-peer support.	All
Accelerated rates of progress for targeted children with reading.	<p>Phonics approaches are effective in supporting younger pupils to master the basics of reading.</p> <p>The Accelerated Reader programme produces ‘particularly positive effects’ according to an independent study by the Education Endowment foundation (EEF)</p>	All

## Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 3091

Activity	Evidence that supports this approach	Challenge number(s) addressed
To ensure that Children with emotional needs have an opportunity to regular, timetabled ELSA sessions with a qualified ELSA.	<p>Interventions which target social and emotion learning seek to improve pupils' interaction with others and self-management of emotions, rather than focusing directly on the academic or cognitive elements of learning.</p> <p>Pupil voice has shown that children look forward to their ELSA sessions and they have positive impact.</p>	1, 2
Early interventions for behaviour – support from PFSA	Staff work collaboratively with parents to engage families in learning and therefore improve behaviour and attendance. Where families need further support, this will be delivered through the PFSA/ELSA programmes to improve wellbeing and social skills. This will improve cultural capital amongst pupils.	1,2,
Issues with attendance are addressed rapidly – support from PFSA, School Leaders and other intervention services	Rigorous monitoring of attendance across the school, particularly with PPG pupils. Non-attendance is addressed rapidly and support given to families to ensure this improves. This may take the form of PFSA support, working with external agencies to ensure significant issues are dealt with satisfactorily.	4
To ensure that children have the opportunity to access the full range of curriculum activities	Outdoor learning provides opportunities for disadvantaged pupils to participate in activities that they otherwise might not be able to access. Through participation in these challenging physical and emotional activities outdoor learning interventions can support pupils to develop non-cognitive skills such as resilience, self-confidence and motivation which are key attributes to become a successful learner.	3

<p>To work with families to increase attendance</p>	<p>Pupils from disadvantaged backgrounds experienced higher levels of loss than their non-disadvantaged peers over Lockdown (DfE Understanding progress 2021)</p> <p>Full attendance is paramount for children eligible for PP to ensure they make the best progress that they can.</p>	<p>4</p>
---	---	----------

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

#### **EYFS GLD 82%**

In Comprehension 100% of PPG children were on track, In word reading 100% of PPG children were on track, In Writing 100% of PPG children were on track, In Number 100% of PPG children were on track and in Numerical Patterns 100% of children were on track.

In Comprehension 100% PPG made expected progress.

In Word reading 100% PPG made expected progress

In Number 100% PPG made expected progress

In Numerical patterns 100% PPG made expected progress

#### **Phonics**

All phonics teaching observed was good or better.

Year 1 phonics screening in June 2022 was 81%. 100% PPG

#### **KS1 Reading**

50% (1/2) was ARE

100% PPG made expected progress

#### **KS1 Writing**

50% (1/2) was ARE

100% PPG made expected progress

#### **KS1 Maths**

50% (1/2) was ARE

100% PPG made expected progress

#### **KS2 Reading**

100% ARE (1/1)

100% PPG made expected progress

## KS2 Writing

100% ARE 1/1

100% PPG made expected progress

## KS2 Maths

100% ARE 1/1

100% PPG made expected progress

ELSA numbers have increased as there has been continued impact with SEMH needs.

Senior leadership time has been taken with supporting pupils with SEMH needs, ensuring pupils continue to thrive and overcome challenges. 75% 6/8pupils have had a high impact, 1/8 has required additional on-going support and 1/8 has required multi-professional support.

PSFA involvement has increased. The PFSA has close communication between pupils, parents and school. Those pupils who are working with the PFSA have made very positive in progress, with 1 pupil making very small steps of progress.

Trips and wow moments have continued, a successful summer residential took place in July where all PPG participated and thrived in all opportunities given.

Attendance of PPG children is lower than attendance of non-PPG pupils, the affects of covid 19 and illness due to exposure to more germs continues to have had a huge impact in 2021-2022.

## Externally provided programmes

*Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England*

Programme	Provider
Number sense-	
Accelerator reader- On line reading/tracking and access to books	Renaissance
TT Rock stars Online time tables activities	TT rockstars
Spelling Shed- Online spelling activities	Spelling Shed
