**Charity and  
Christian Values**

**Christmas**

*What can we do as a group to help others this Christmas?*

- We decided as a group to help the homeless this Christmas. This was following a plea from an Upton Noble Parent who is coordinating a collection to help local homeless people in Somerset.

*What do we need to bring in and how can we organise this?*

- We have decided that each class will have a collection week and all items will be put together in boxes to share in an assembly. We can celebrate class collections together.
- Items will be distributed by our parent on 21<sup>st</sup> December.
- Items needed are: Gloves, hats, Christmas jumpers, warm jumpers, scarves, warm socks, baby wipes, face wipes, deodorant and personal care products, smellies, soap, flannels, toothpaste, selection boxes, chocolate, crisps, dried fruit, tinned fruit, pens, word search books, note pads.
