**School Values**

### Feedback

- Freya and Amelia to talk to the whole school during CW tomorrow to remind children about their responsibility within school to pick up litter. Children were disappointed to hear that Miss James and Mrs Curtis have to clean up after everyone every morning.
- Freya and Amelia to remind children about Red Nose Day during CW. Only 65p from every red nose goes to charity. Could people colour their nose with face paint or make a red nose whilst donating the full £1.25 to charity? We decided that this was a good option that was better for the environment too.

### Charity

Ideas for fundraising for 'School in a Bag' were discussed. Mrs Curtis to discuss with staff.  
Suggestions included:

- Disco
- Cake sale
- BBQ
- Upton Noble's Got Talent
- Feel Good Friday incorporating a sponsored run

Treating people in a nice way (Noah K)

Respecting people for their choices, like dressing differently. (Poppy)
