

Upton Noble News

Friday 27th June 2025

As I write, I cannot believe that it is almost July and the end of term is rapidly approaching.

Maple Class have been thoroughly enjoying their time away at their residential in Devon and have been learning new skills and working together as a team. Kayaking, pony trekking and gorge scrambling are a few of the activities they have been lucky enough to experience.

Willow Class endured the scorching heat (luckily the bus was air conditioned) and visited the lifeboat station in Swanage. Fortunately, the ice cream shop was a short walk away!

Ash Class also spent a lovely day visiting The Newt to further enhance their learning around Romans.

We are looking forward to our moving up days, sports day and end of term productions!

Mrs Curtis and Mrs Bisset

Deputy Head of School and Executive Headteacher

Congratulations to Maple class this week who gained the highest attendance

Sporting Success

On Tuesday 24th June 30, children from Years 3 to 5 took part in the Top Link Athletics Festival at King Arthurs School. The day consisted of athletics in the morning followed by a rounders tournament in the afternoon. All the children gave their best and they had some fabulous individual and team performances. Special congratulations must go to our Year 3 and 4 team who came second in the athletics. At the end of the day, the results from the athletics events and the rounders' tournaments in both age groups were combined and they ended the day in fourth place. A great achievement.

EYFS & KS1 Events

Acorn class have been making the most of forest school to create Mehndi patterns

Willow Class had a wonderful day out in Swanage. They visited the lifeboat station, made sand sculptures, had a delicious ice cream and even managed a ride on a diesel train.

KS2 Events

Ash class have been learning about the Romans this term. They have looked at Claudius' invasion, Boudica, the Roman Army and Roman towns. They were lucky enough to visit the Roman Villa at The Newt where they got to see real archaeological evidence as well as experiencing what a Roman Villa may have been like inside!

Some Year 5 and 6 children had a wonderful opportunity last week to go to Kings School in Bruton for an Arts Day. They did workshops in Dance, Ceramics and Drama and had a fascinating talk from a local photographer.

Maple Class Okehampton Trip

DATES FOR YOUR DIARY

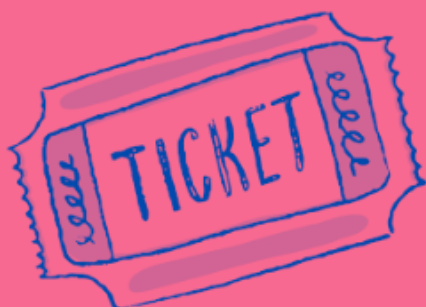

Date	Event	Details
