

Upton Noble News

Friday 16th May 2025

We celebrated the 80th anniversary of VE Day in style. As well as a 'street party' lunch outside, all children and staff dressed in clothes representing the era and the buzz around school was phenomenal.

Children got to climb into and explore three vehicles that served in WW2: a 1942 Dodge ambulance, a 1942 jeep and finally a GMC or 'Jimmy' also from 1942.

We have also celebrated a number of sporting successes this term. From running a mini marathon along The Mall in London to competing in a number of cross country events; we have so much to be proud of.

Alongside this, there have been lots of cross curricular events to enhance our learning. Children from Elm Class visited the East Somerset Railway and Ash and Beech Class engaged in some creative art experiences at Hauser and Wirth.

Wishing you all a peaceful half term break. We look forward to seeing you all back on Monday June 2nd .

Mrs Bisset and Mrs Curtis

Ash	92.5%
Beech	91.5%
Sycamore	97.0%
Maple	98.5%

Whole School

94.5%

Congratulations to Maple class this week who gained the highest attendance

Wellbeing Tip of the Week:

In the early evening take a moment to look up, keeping watch for the first faint twinkle of the night. One by one the sky will be awash with sparkle and wonder.

Sporting Success

EYFS & KS1 Events

Acorn Class have been embracing their learning about London and the Royal family.

Elm Class visited The East Somerset Railway.

Willow Class - Their topic for this term is, 'Wish We Were Here!'. They started by focusing on the continents and oceans of the world and enjoyed using the atlases to help them annotate maps. They researched interesting facts about the different continents and shared their knowledge.

KS2 Events

Beech and Ash Class spent the day at the Bath and West for the Field to Fork day. They have also been at Hauser and Wirth making an art composition.

In Sycamore, the children have been showing off their racket skills. They have been taking part in lots of games working on reactions, serving, rallying and much more. They have been having so much fun and finding out how these skills can be transferable across both sports!

Maple Class had a hard-fought game of rounders to celebrate smashing SATs, which managed to end in a draw!
